TB+A voted one of the UK's Leading Construction Companies

TB+A Rank Highly Across the Board in 'Top Consultant 2011' Survey

Troup Bywaters + Anders are ranked 4th M+E Consultants in the UK in the latest survey published in the professionally recognised *Building Magazine*. The magazine conducted surveys across the board of all leading construction consultants throughout a variety of disciplines. Troup Bywaters and Anders feature prominently throughout the surveys.

TB+A is within the top 50 in *Building Magazine's* prestigious, overall 'Top 200 Consultant's' category. They also feature highly in several other categories conducted by the Magazine including holding a place in the 'Top 50 Fee Earners', as well as ranking 23rd in the 'Top 50 of all Engineering Firms' and 35th in 'Top 100 Financial Performers of 2011'. These surveys compare firms from various disciplines throughout the construction consultancy industry.

We are delighted that the efforts made by our staff as we take the business forward have been recognised by this survey.

Neil Weller – Managing Partner

TB+A are incredibly pleased with the results and will continue to improve as the year 2012 commences. With each year that passes Troup Bywaters and Anders remain a leading component in the UK's construction industry.

Notes to Editors

About Troup Bywaters + Anders

Troup Bywaters + Anders are a 200 strong consulting building services and engineering partnership formed in 1958 with six design centres UK-wide. Our portfolio comprises public and private sector projects across a range of sectors including Commercial, Education, Government, Health, Leisure, Residential and Retail for new build and refurbishment developments and fit-out schemes for occupiers.

Last year, TB+A was proud to be involved in projects based both in the UK and abroad with a total construction value in excess of £2 billion.

About Building Magazine
